MANUFUTURE CONFERENCE

The role of public
policies

Wim De Kinderen
Brainport Development,
Brainport Eindhoven

w.dekinderen@brainportdevelopment.nl

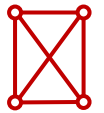

our strength:
high complex, precision manufacturing

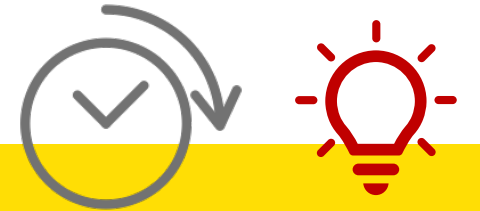

High complex

Medium complex

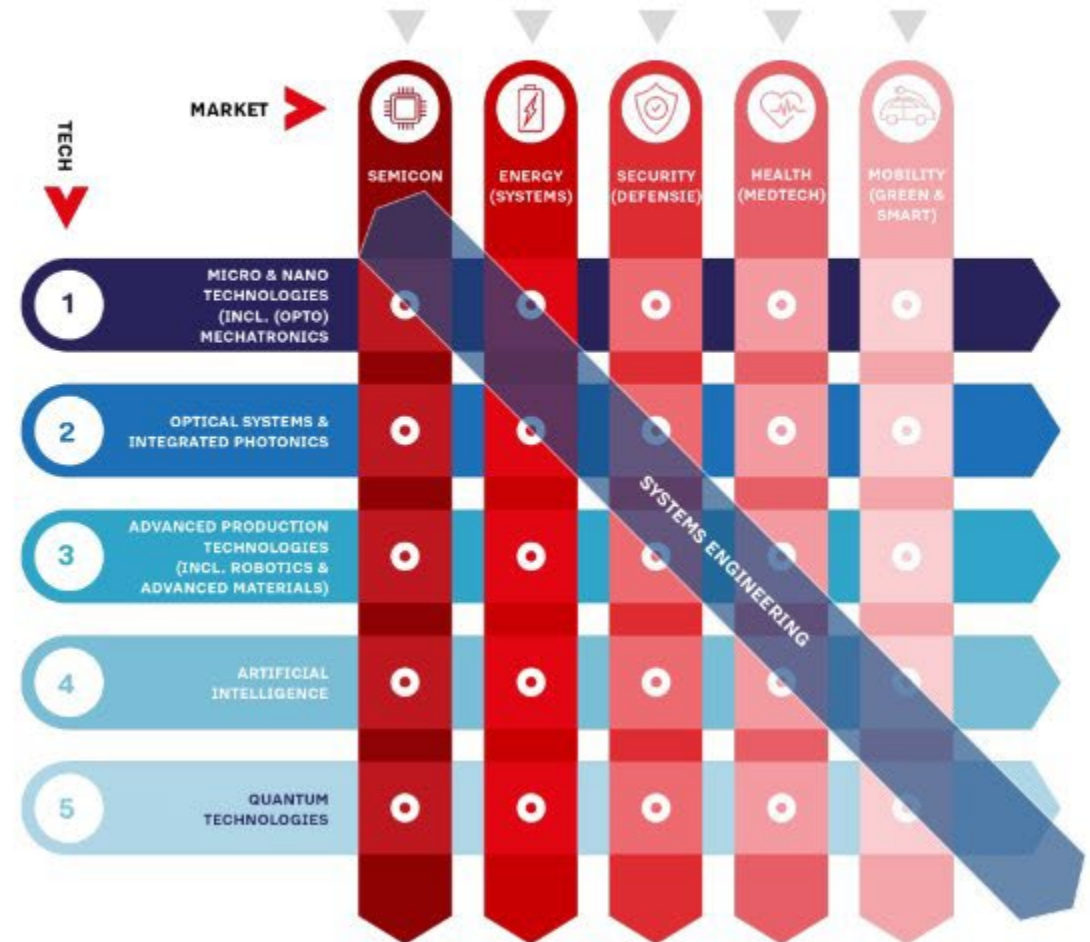

Low complex

We design – develop – manufacture complex systems for:

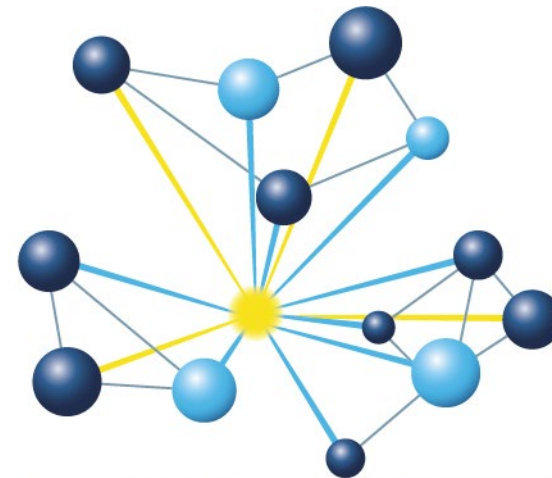

Driven by state of the art technology

Powered by:
1. Open innovation
2. Manufacturing skills

if Competitiveness is the new
Green
then Collaboration is the new
Competitiveness

VANGUARD INITIATIVE
